

1U 19 inch Server Rack Rails - 24-36 inch Adjustable Depth - Universal 4 Post Rack Mount Rails - Network Equipment/Server/UPS Mounting Rail Kit HPE ProLiant Dell PowerEdge

Product ID: UNIRAILS1UB

These 1U server rack rails let you mount devices, such as servers or networking equipment, that did not come with rack rails into your 19" 4 post rack. The adjustable server rack rails are also a great solution for mounting OEM equipment such as Dell, IBM, HP or Apple servers.

Adhering to the EIA/ECA-310 standard for 19 inch server rack equipment and accessories, these mounting rails are compatible with most 19 inch server racks. The depth is adjustable for a variety of rack sizes and configurations up to a maximum depth of 36 inches.

To ensure your equipment is secure, these universal rack mount rails feature cold-rolled steel construction. The durable design can support a weight load of up to 200 lbs (90 kg).

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

The UNIRAILS1UB is backed by a lifetime StarTech.com warranty with free technical support.

Certifications, Reports and Compatibility
